**Product Name :**

Eye Protector

**Product Code :**

SAMCOMEDICAL410001A075

**Description :**

Eye Protector Technical Specification Superior Eye Protection for Neonatal Phototherapy. Remains securely in place with a unique Y-shaped design. Conforms to any head shape with easy-to-use adjustable tabs. Special eye-pad material blocks harmful light to eyes, while headband design allows phototherapy light to reach baby's head. Safe and comfortable
