Product Name :
High Performance Liquid Chromatography System

Product Code :
SAMCOMEDICAL630001A001

Description :

High Performance Liquid Chromatography System HPLC -Isolated System High Pressure Solvent Delivery Pump 1 No. Multi Wavelength UV-Detector 1 No. Sample Inject Valve- (Rheodyne 7725 I) 1 No. Lc Column (Usa) - (C18 4.6 X 250 Mm 5?) 1 No. Workstation Software 1 No High Performance Liquid Chromatography System, High Performance Liquid Chromatography Systems exporters, High Performance Liquid Chromatography Systems manufacturers
